## Electronic Formats

**NEW \*\*AIA Contract Documents Software\*\***  
The new AIA Contract Documents software provides world-class functionality and ease of use.

In addition to switching to the near universal technology platform of Microsoft® Word, the new AIA Contract Documents software also includes the capability to generate PDF files.

These changes alone allow for vastly-improved drafting, editing, and collaborating options.

And, the new software goes even further to streamline the contracting process.
